Our Scope of Services

We are travel and holiday organizers only. We inspect and select the services to be provided to you. However, we do not own, operate or control any airline, shipping company, coach or coach company, hotel, transport, restaurant, kitchen caravan or any other facility or provider that is engaged to provide you services during the course of your tour.

Therefore, please carefully note that:

- You will need to adhere to the conditions, rules and regulations of each service provider. For instance, you will need to check the baggage rules of the airline to understand what kind of baggage and how much baggage you can carry. You will need to check the hotel rules to check what the mealtimes are, at which you should make yourself available. The company is not responsible for the consequences if you breach such rules and regulations;
- If you cause any injury or damage affecting the service provider, then you may be liable to the service provider and if the service provider recovers any monies from us for such injury or damages, we shall separately charge you for the same;

your children or otherwise, it would be advisable to travel on a customized tour and coach tours are not recommended.

We, however, reserve the right to change the meal arrangement, where circumstances compel us to do so. At some places a meal allowance may be paid to you to enable you to have a meal of your own choice.

Hotels

The Company selects hotels for your stay at locations, which give comfort and value for money. For various reasons, such as reducing the overall traveling time on the coach for the following day, the hotels may be chosen away from the city centre. Unlike other countries, most hotels in Europe do not have air conditioners or fans. Modern facilities such as attached toilets with showers / bathtubs are provided. We cannot guarantee the availability of adjoining rooms / interconnecting rooms / non-smoking room / rooms on the same floor etc.

Hotels at different Destinations have their Own Check In / Check Out Timings. You will have to abide by the Hotels Terms & Conditions for the same.

If you seek a change in rooming while on a tour, the same will be subject to availability and you will need to pay any additional charges as may be applicable.

Please note that hotels in Europe can have exceptionally small rooms unlike what you may have experienced in other countries.

Single Accommodation

In case you book on a single occupancy basis, you will have to pay a single room supplement unless another tour participant is willing to share your room. You shall also be liable to pay the single room supplement if earlier having booked on a shared room basis, you later have to take the room on single occupancy basis since your intended room partner has either dropped out of the tour for any reason or since you and / or your room partner are no longer willing to share a room.

Double / Twin Accommodation

A double room has either a single queen-size bed or two separate beds. If you request for a room with a queen-size bed, the same would be provided subject to availability as most of the hotel rooms in Europe are twin-bedded. In case of non-availability of a room with a queen-size bed, a twin bedded-room would be given.

Triple Accommodation

We recommend a maximum of only three persons in one room. Triple rooms are usually no larger than twin rooms and the third bed is often a rollaway bed or cot placed in a twin room.

Children Accommodation

A child travelling for whom 'without a bed' charge has been paid would not be entitled to a separate bed in the hotel. In case 'with bed' charge has been paid for the child and you decide not to avail such facility whilst on the tour, you would not be entitled to any refund. In case you decide to seek an extra bed for the child booked on 'without bed' basis on the tour, this will be provided subject to availability and you shall be bound to pay any additional amount charged by the concerned hotel directly.

Adjoining rooms / interconnecting rooms / non-smoking room / rooms on the same floor etc, are subject to availability.

it's about experiences...

Hotel standards vary dramatically throughout India in larger cities such as Delhi and Mumbai, hotels are fully modernized with excellent facilities, whilst in other cities and towns the hotels are smaller but quite often have good facilities. In the desert cities of Rajasthan, areas of southern India, small hill towns and recently opened areas, many hotels are small, privately owned properties or converted palaces, retaining much of their original ambience, but the room size, shape and design can vary enormously (even in the same price bracket). Although palace hotels often have simple facilities and service can be slow, we ask for your patience as this is more than compensated for by their atmosphere and charm. Hotels in India continuously try to upgrade their services and there can be building constructions and renovation works throughout the year. We will endeavor to obtain rooms as far away from any construction work as possible but please bear in mind that hotels run on full capacity during peak season and specific rooms can rarely be pre-booked. Even when you travel off beaten track with Beyond Voyages, you can be sure that your accommodation in game lodges, smaller hotels and tented camps is the best available in their category.

Sometimes the best hotel may be the only hotel, which may be very modest. In these cases we feel that the simplicity of such accommodation is outweighed by the experience of these more remote areas. Accommodation will often be in tents or lodges.

Economy hotels are budget hotels and they may not have any star category classification obtained from the relevant authorities of Government of India. Even 2 star properties approved by the India Tourism, Government of India, can be considered as economy hotels. These hotels may provide very bare basic amenities.

Standard hotels are mainly 3 star category hotels approved by the India Tourism, Government of India. They may also include Heritage hotels, Lodges and Resorts.

Deluxe hotels can be categorized with ratings of 4 star or 5 star approved by the HRACC, India Tourism, Government of India. They may also include Heritage hotels, Lodges and Resorts.

Please note:

- Heritage hotels are set in old or historic style buildings and are categorized into grand, classic and heritage.
- Rooms in Economy, Standard, Deluxe hotels, heritage hotels, lodges and resorts would vary in layout and size.
- Room services and features in Hotels, Resorts, Heritages, Lodges may vary from place to place.

If you would like to stay in any hotels other than those featured in the tour itinerary, or you would like to upgrade the standard of your room, this can be arranged and you will be informed of the difference in price and this would be subject to availability.

Any damage caused to the hotel property by you will have to be paid by you and the Company would not be liable for the same.

Vehicles for Transportation

In our air-conditioned / air-cooled vehicles we are not responsible if the air-conditioning equipment malfunctions for any reason. Normally, the air conditioning will not function during hill drives for coaches and cars. We request you to avoid smoking, consumption of alcoholic beverages and snacks as this is strictly prohibited on coaches. Kindly keep the vehicle clean to avoid discomfort for yourself and your co-passengers.

The drivers are bound by restrictions concerning maximum driving hours per day and per week and the itineraries are planned with regard to the same. It is therefore essential that the itineraries, schedules and timings are strictly adhered to by you so as to ensure that all the services can be duly provided. If you or any of your co-passenger misses any service due to unpunctuality, we shall not be liable to refund any amount. Further, we shall not be liable to refund any amount or pay any compensation for any change in itinerary or for missing any service due to the unpunctuality or actions of your co-passengers.

Please take care not to leave behind any property in the vehicle while disembarking. The Company would not be responsible or liable in case of loss of such property under any circumstances.

Porterage

Please note that porterage is not included in the tour price. It is often difficult to get porters to assist as hotels may or may not provide this service and it is therefore advisable to use bags with wheels.

Airlines

We shall in no circumstances whatsoever be liable to your or any person travelling with you, for loss of baggage by the airline, failure to provide meal of your choice by the airline, denied boarding or down-gradation due to overbooking or any other reason, failure on the part of the airline to accommodate you despite having confirmed tickets, quality or quantity of meals offered by the airlines, flight delay or rescheduling, flight cancellation, changes of flight schedule or routing, change of airline mentioned at the time of booking. In these circumstances, we will not be liable for the injury, loss or inconvenience suffered by you but you will be free to pursue your remedies against the concerned airline.

If you are travelling to a SAARC country, it is absolutely necessary to have your return air seats to India confirmed prior to your departure from India.

Baggage on Airline

Airlines have restrictions on the kind of baggage, number and weight of baggage that you can carry and you will need to carefully read and understand the rules and regulations of the airline, in this regard. You are requested to please refer to the baggage rules of the individual airlines, as the same get updated from time to time.

We are not liable, in any manner, if you are unable to carry any baggage or if you have to pay any extra-charges due to restrictions imposed by the airline. You shall be liable to pay all such charges directly to the airline. Also, we are not liable for any loss or damage to baggage while it is in the custody of the airline.

Airline Date Change Before Departure

If you wish to travel in advance or return at a later date after the tour ends, then you must pay the applicable difference in Airfare for the changed sector. The same will be quoted by us to you on your request. Over and above this you will also be required to pay an 'Airline Seat Rebooking and Reservation Fee' as applicable per person per sector, per change depending on the airline (subject to availability of seats and ticket validity).

Please note that you will not be able to avail of transfers in case of Airline Date change. We shall not be liable to refund any amount to you in this regard.

Airline Date Change After Departure

It is absolutely necessary to have your return air seats to India confirmed prior to your departure from India.

If you wish to change the date of your return journey after departure from India, you will have to pay a "Change in Reservation Fee" if any, directly to the airline, subject to availability of seats in the same booking class and we will not be responsible for the same.

Airline Confirmation and Re-confirmation

Though you may receive a confirmed air ticket for a particular sector, airlines often overbook seats, due to which the airline may offload even confirmed passengers and may accommodate them on a subsequent flight. We will not be responsible for any such offloading nor for any consequence of such offloading including delay, inconvenience or loss of tour services.

Please note that in case you are returning on a later date after the tour ends, the responsibility to re-confirm air tickets 72 hours prior to the departure would be solely yours.

You Are Responsible For Your Documents and Possessions

You will have to take the risk and responsibility of all your baggage, belongings, currency, valuables, documents and personal effects (collectively "baggage") at all times during the tour, whether during travel on the airline or during your stay in hotel or during your travel in coaches, while on excursions or otherwise.

If you forget to carry or if you lose essential travel documents such as passport, visa, tickets etc., you may be compelled to curtail the tour and you may have to incur extra expenses, for which you alone shall be responsible.

In view of what is stated above, please carefully note that:

- We shall not be responsible or liable for any loss or damage in respect of your baggage etc. or their contents whether due to theft, accident, negligence or otherwise;
- We shall not be responsible for any cancellation or curtailment of your tour compelled by any such loss of baggage etc. and we shall pay no compensation or refund to you;
- Some coverage in respect of baggage loss or damage may be provided by insurance (see below the Insurance section).

It is advisable that you do not carry valuables on the tour. However, if you carry any valuables, we recommend that you use all available facilities to keep them secure during your tour. In this regard, some hotels provide Safe Deposit Lockers. In case of airlines, we recommend that you declare your valuables to the airline at the time of check-in and pay an additional charge, as may be stipulated by the airline, to make the airline

If your baggage is lost or misplaced at any time during the course of your tour, it is your responsibility to take all appropriate actions to file complaints with the concerned authorities, including police, airline office etc. Please understand that as the Tour Manager is responsible for the whole group of tour participants, he may not be in a position to escort you to lodge a complaint with the authorities, as it could compromise the convenience and time of the group.

Travel Documents and Clearances

It shall be solely your responsibility to hold valid travel documents and statutory clearances, to enable you to travel on the tour such as passports, visas, confirmed air-tickets, insurance and medical insurance certificates and other statutory certificates including immigration clearance. Please note that your Passport must be valid for at least six months subsequent to the scheduled departure date of the tour. Visa Guidance Services

It is necessary for you to ensure that you have the appropriate passport, which is valid for at least six months after the date of departure of your tour. Furthermore, you will be required to take the appropriate visas for going on the tour.

We provide you visa guidance services for which we will charge you. Such charges may include not only the actual visa charge and costs incurred but also our service charge. Please note that UK and USA visa will have to be obtained by you directly; however we may assist you in preparing and submitting the visa application based on documents provided by you. Even if you do not get your visa, you will be liable to pay the applicable charges. If you already possess a visa or wish to do the visa/s on your own, you would be entitled only for the refund of actual visa/s cost and the portion of charges attributable to our service charges will still have to be paid by you.

It is your responsibility to promptly furnish to us all documents required for application of your visas etc. latest by 45 days before the departure date. Given the security concerns and the over-cautious approach adopted by embassies and consulates, visa processing can take quite long. Please note that we may receive documents submitted late but we are not responsible for rejection or non-receipt of visas due to inadequate or late submissions. You are required to furnish only genuine documentation.

Grant / rejection of visas is the sole discretion of embassy/consulate. We only act as a facilitator for obtaining visas.
